- Founded in 1968
- \$60 million annual portfolio
- 500 staff
- 20 field offices (active in 100+ countries)

# Teaching Excellence & Achievement Program

The Teaching Excellence and Achievement Program (TEA) will provide approximately 160 secondary school teachers from Europe and Eurasia, East Asia and the Pacific, the Near East, South and Central Asia, Sub-Saharan Africa, and the Western Hemisphere with unique opportunities to develop expertise in their subject areas, enhance their teaching skills, and increase their knowledge about the United States.

# Teaching Excellence & Achievement Program

TEA is an intensive non-credit, non-degree six-week professional development program  
(February – March 2014 or September – November 2014)  
at a U.S. university including:

- A customized academic program in general pedagogical and discipline-specific education sessions;
- A customized course in instructional technology;
- A practicum at a U.S. secondary school;
- Organized U.S. civic and cultural activities

# TEA Eligible Countries

Algeria  
Argentina  
Azerbaijan  
Bangladesh  
Bolivia  
Cambodia  
Cameroon  
Chile  
Colombia  
Costa Rica  
Cote d'Ivoire  
Dominican Republic  
Ecuador  
Egypt  
El Salvador  
Ethiopia

Guatemala  
Haiti  
Honduras  
India  
Iraq  
Jordan  
Kazakhstan  
Kyrgyzstan  
Lebanon  
Mozambique  
Nepal  
Nicaragua  
Niger  
Nigeria  
Oman  
Panama

Peru  
Russia  
Rwanda  
Senegal  
South Africa  
Tajikistan  
Thailand  
Turkey  
Turkmenistan  
Tunisia  
Ukraine  
Venezuela  
Vietnam  
West Bank/Gaza  
Yemen  
Zambia

# Program Overview - Academic Program

## Customized TEA Academic Program

### General Pedagogical Seminars on topics such as:

- Student-centered teaching methodologies
- Lesson plan and curriculum development
- Teaching strategies for home classroom environments
- Teacher leadership
- Development of a micro-teaching demonstration that reflects best teaching practice(s)

# Program Overview - Academic Program

## **Academic Seminars:**

- Workshops that focus on teaching methodologies, curriculum development, lesson planning, teaching strategies, and intensive English language instruction for English, English as a Foreign Language, Social Studies, Math, and Science teachers

## **Instructional Technology Seminars:**

- Technology for classroom use
- General computer skills:  
(Word, Excel, Power Point, etc.)

# Program Overview - U.S. Secondary School Practicum

**During a two week field experience at a secondary school, fellows will:**

- Observe a variety of teaching methods
- Co-teach with American teachers and work with students
- Work closely with a U.S. teacher to develop lesson plans and pilot-testing lessons
- Participate in extra curricular activities as available

# Program Overview - Alumni Small Grants

After successfully completing TEA, alumni are eligible to apply for small grants.

This grant program is designed to complement the TEA goal of improving teaching in participating countries.

# Program Overview - Alumni Small Grants

## **Examples of projects implemented by past program alumni include:**

- A TEA alumnus of Kyrgyzstan was first awarded an alumni small grant to deliver workshops focusing on problem-solving, goal-setting, healthy living, and positive relationships to disabled students, peer leaders and their teachers in 2009. The project is currently being extended to 30 additional students and will focus on leadership through technology in collaboration with the Digital Youth Dialogue program which recently brought internet access to the region.

# Program Overview - Alumni Small Grants

## **Examples of projects implemented by past program alumni include:**

- A TEA alumnus of Senegal successfully delivered a workshop on Teaching Scaffolding Writing Skills. Each of the 38 participants was trained in the content method as well as equipped with the skills necessary to deliver the workshop in their respective schools. The estimated indirect beneficiaries of the training is over 200 Senegalese teachers of English, and up to 8,000 students!

# TEA Program Provisions

The U.S. fellowship is fully funded and provides:

- J-1 visa support
- A pre-departure orientation held in your home country
- Round-trip airfare from your home city to and within the U.S. (for participation in the program)
- Academic program fees
- Housing (generally shared with other program fellows)

# TEA Program Provisions - Continued

- Accident and sickness medical insurance (does not cover pre-existing conditions)
- Transportation to the field experience school (if necessary)
- A daily allowance for meals and incidentals during the university academic program
- A book/professional development allowance
- An excess baggage/shipping allowance
- Welcome and Closing workshops in Washington, D.C.

# Eligibility Requirements for TEA

## Applicants must:

- Be current secondary-level, full-time teachers with five or more years of classroom experience in disciplines including English, English as a Foreign Language, social studies, mathematics and science;
- Be citizens of Jordan;
- Have English-language proficiency in written and spoken English with a minimum 450 paper-based or equivalent English language exam\*;
- Commitment to continue teaching after completion of the program; and
- Submit a completed application.

*\* A limited number of Fellows with TOEFL between 425 and 450 will be accepted for the program into a special cohort with additional English language training included in the professional development program.*

# TEA Program Regulations

- Fellows must return to their home countries for two years, immediately upon program completion. No exceptions will be made.
- Fellows may not accept paid work while in the U.S.
- Family members may not accompany participants on program.
- No fellowship extensions will be given.

# TEA Selection Process

- Selection is made through a merit-based open competition.
- All applications are first reviewed for technical eligibility.
- Top candidates are interviewed by an interview panel and take the TOEFL examination or other compatible examination.
- Top nominees' applications and TOEFL scores will be reviewed by IREX and ECA in Washington, D.C., and, barring any ineligibilities, the nominees will be confirmed as finalists.

# TEA Selection Criteria

- Preparedness for an **intensive** U.S.-based training program;
- Professional and educational experience and achievements;
- Demonstrated commitment to teaching in secondary education;
- Demonstrated leadership potential;
- Potential for developing long-term linkages between U.S. and home country educational institutions and schools;

# TEA Selection Criteria, continued

- English language skills adequate to live, study, and function independently in the U.S.;
- Willingness and capacity to work collaboratively with international peers to foster a positive learning community for professional development; and
- Ability to express ideas clearly and effectively.

**Applicants who have had few or no opportunities to travel to the U.S. will be given priority.**
